MORRIS MINOR PROJECT

We have been donated an old 1950's Morris Minor for our members to rejuvenate back to workable condition. This vehicle will become a source of promotion for our Shed when completed. If you have a wish to contribute your time and elbow grease and work with other enthusiastic members towards the completion please "haveachat" with either Graham Weightman, Andrew Holc or Graeme Matthews.

OMG !!!!!

There is not much left on the chassis at the moment

CAR TORQUE

Car Torque continues to draw the crowds (weather permitting). Remember, first Sunday each month. Come along and talk the torque with fellow enthusiasts, enjoy the company and the egg & bacon rolls. Car run to Marong for the Federation Picnic on 25th August, yes 25th not as previously advised. Remember 9.00am sharp departure from The Shed.

CAR BOOT SALE

Our next Car Boot Sale is planned for Sunday 29th September 2013 between 10am and 2pm. There is a \$10 per stall fee. Member assistance required on the day to direct traffic and also man the Shed wares for sale.

THURSDAY & FRIDAY LUNCHESES—STILL A GOOD FEED

The new cooking stove has now been installed and we all wait with anticipation just what Alf can serve up. Keep up the good work Alf and his “little” helpers. We think you may need to get a license to work the new stove.

GET WELL WISHES :

Over the last few months we have had a number of our members suffering from either operations or illness. Just to name a few : Peter Fanning, Kevin Nightingale, Ian Johnston and David Inns, these are just the ones that we are aware of. Our VP Colin Dyll is to undergo his second hip replacement within the next few weeks. We wish you all a speedy recovery and hope to see you back among us very soon.

SUB-COMMITTEES

Sub-committees of the following groups need to be formed :

Woodwork

Engineering/Metalwork

Cycling (Pelican Peddlers)

Sub-committees of our groups make consultative decisions about the work areas and equipment requirements. All we ask is that a monthly report be provided to the Secretary by the first Monday of each month.

LOUIS JOEL GALLERY—HBMS DISPLAY

When : 16th August to 22nd August 10.00am to 3.00pm daily

Where : 5 Sargood Street, Altona

From all accounts it is a very impressive exhibition of workmanship carried out at The Shed.
