## NEW SHED FOCUS Edition No 61 September 2019

### Presidents Report:

Another month gone, where has the time gone.  
Not long until we hit Christmas and another  
New Year.

Happy Father's Day to all those dads of the  
HBMS I hope you all had a good day with  
family.

AGM has been and gone with a new member  
on the Committee Danny Civitco we welcome  
Danny to our Committee of Management.

MOBIL Exxon (Altona Refinery) needs our  
assistance to run several Car Shows in  
November, the first being 16<sup>th</sup> and then a two-  
day event on the 23<sup>rd</sup> and 24<sup>th</sup> they want to use  
our event plan and have us Marshalling in the  
Vehicles and the following is their request:  
As discussed, we would like to work together with the  
Men's Shed a couple events, we have coming up in  
November that will help us celebrate our 70<sup>th</sup>  
Anniversary.

The first event is a **Historic Car display day**.

**When:** Saturday 16 November  
**Where:** Logan Reserve  
**Time:** TBC – I am liaising with  
the race team as we speak trying to  
work out how we can get them in  
first and get everyone else in around  
them. Possibly 11:00am – 3:00pm

What we would like from the Men's  
Shed

Event plan – for council  
Display vehicles??? Do any of your  
Men's Shed crew know of anyone  
who has vehicles that are "racing"  
related? Would love if someone had  
old Holden / Mobil racing vehicles or  
the like... otherwise open to  
discussion on anything you think  
might be suitable  
Assistance setting up the event and  
getting vehicles into the venue.  
Assistance bumping out of the event  
and getting vehicles out of the venue.

The second events are the **Refinery Open Day's**

**When:** Saturday 23 and Sunday 24 November  
**Where:** Mobil Altona Refinery  
**Time:** TBC – I am speaking  
with security and running numbers  
on when exactly we will open the  
refinery. Possibly 10am – 2:00pm

What we would like from the Men's  
Shed

Event plan – for council  
Display vehicles??? Do any of your  
Men's Shed crew know of anyone  
who has vehicles that are "racing"  
related? Would love if someone had  
old Holden / Mobil racing vehicles or  
the like... otherwise open to  
discussion on anything you think  
might be suitable  
Assistance setting up the event and  
getting vehicles into the venue.  
Assistance bumping out of the event  
and getting vehicles out of the venue.

Would you also have a stall at the  
Open Day's showcasing the Men's  
Shed – recruiting more members – so  
We briefly discussed that you guys at  
other events have made egg and  
bacon rolls. – Is that something you  
could do on these days also? We are  
going to get Rotary to do sausages  
and both of you can keep the  
proceeds. We would just have to  
work out who will provide what food  
on the day – what each group is  
capable of.

As also discussed, we have surplus  
office equipment – lockers /

computer screens etc. You are more than welcome to any of these items – but could you possibly help us distribute them to the other community groups around the area also? We may also have some Personal Protective Equipment that we could also donate to you.

Hopefully all of this sounds ok. Nikki Calcraft.

Also, we have a request from Bunnings Altona North to show our Vehicles on 14<sup>th</sup> September in their Car Park as previous years. 10am to 2pm

Ken Inglis  
President

Saying of the Month:

Any man can be a dad, but it takes a special man to be a father. And, it takes a specially patient and loving man to be loved as a step-father.
