NEW SHED FOCUS Edition No 64 December 2019

Presidents Report:

I have been reminded by Alf and Les not to forget to mention our Christmas function to be held at the Laverton Bowling Club, Hall Ave, Laverton on the 20th December commencing 11:30am. For catering purposes please put your name on the list in the kitchen before the 12th December.

The Music Group will be playing Carols and other music on the day, I was considering getting up to sing but my Dad told me that I am tone deaf and I may end up clearing the hall out a bit too early.

The Shed will be closed from 11:30am Friday 20th December 2019 and reopen on the Thursday 2nd January 2020.

I have had many meetings with Council over the years regarding the shed and the latest meeting ensures us that it is now a definite goer, commencement of construction will be early next year, Metal work can then move into a larger area. I am still working on getting a bigger area for woodwork, I know what I want but getting it will be a bit difficult.

Sunday 26th January (Australia Day) is our Car show with the organising well advanced and hopefully a lot easier on the members that assist on the day. I have organised hired Marques which will be erect and dismantled by the company and also tables and chairs, all we have to do is bring the BBQ and our steps for the truck and not much more.

Runs coming up for the Motoring Group:
15/12/2019 – Xmas BBQ at Bert's Farm near Ballan
12/01/2020 – Castlemaine Woollen Mills and Lunch
I will have an attendance sheet at this Months Car Torque for both runs.

Mobil Refinery 70th Anniversary held at Logans Reserve Altona was a success, we had 34 Vehicles attend. Andy had his race car, Alan had his Cooper, Ian brought along his Corvette Pace Car and Bert had Bob Jones Formula 3 race car.
I got to meet Scott Pye Holden racing team driver as per photo.

On behalf of the Committee I wish all Members a Merry Christmas and a Happy and Safe New Year.

Ken Inglis
President
